

NURSE REFER-A-FRIEND PROGRAM

Maxim Healthcare Services is always seeking experienced healthcare professionals to join our team and you can help. Research shows that hires made from employee referrals are excellent contributors and stay with the company longer, allowing Maxim to affect more lives in the community through our numerous programs.

As a current employee of Maxim, we feel that you know what it takes to be successful with our organization, so we would like the opportunity to reward your passion and commitment to the service we provide. If you know someone who would be a great addition to our team, and they meet our qualifications, you may be eligible for the following bonuses if you refer them for employment and they are hired!

- ▶ **\$200 for RNs**
- ▶ **\$200 for LPNs**
- ▶ **\$100 for MAs/CNAs**
