

Dr. Xiong
Medical Director

Dr. Xiong earned his medical degree from UC Davis and completed his residency training in Internal Medicine (Primary Care) and Psychiatry at Duke University Medical Center. He is certified by the American Medical Directors Association in Post-Acute and Long-term Care Medicine (2006, 2016). His clinical expertise includes primary care psychiatry, psychopharmacology, behavioral therapy, and memory care. He provides clinical care at the UC Davis Medical Center, and in Skilled Nursing and Assisted Living Facilities. His research interest include telepsychiatry, dementia, and psychiatric comorbidities. He has co-edited six textbooks and authored or co-authored more than 100 case reports, book chapters, and peer reviewed publications. Dr. Xiong has been a physician at Norwood Pines Care Center since 2007, and has been the Medical Director since 2010.
